You can enroll with your phone

It's as easy as pointing your camera at this
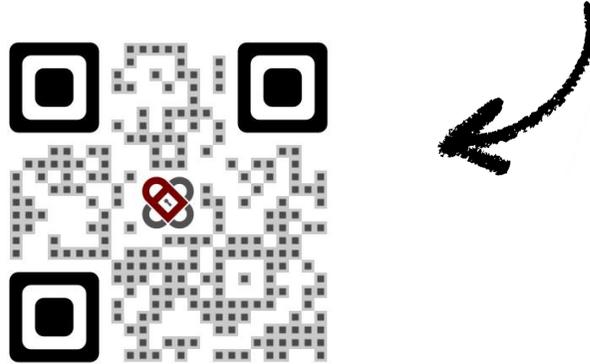

If your camera does not recognize the picture code type this into your phone browser:

ndc.org/twilm

If you don't know how to open your camera app, here's how (for Android and Iphone):

1 Open the Camera or Google Lens app either from the lock screen or tapping on the icon from your home screen

2 Hold your device steady for 2-3 seconds towards the picture code near the top of this page

3 Click on the notification to open the enrollment web page
